**Celebrating 50 Years of St. Marys Kinsmen Summerfest**

Members of the St. Marys Community,

Summerfest, a beloved tradition in St. Marys, is gearing up to commemorate its 50th anniversary this July 4th, 5th, and 6th. As the pinnacle family-friendly event of the year, it promises a weekend filled with excitement and cherished memories.

On the following page, you'll find a range of sponsorship opportunities tailored to suit various levels of support, each offering unique benefits and acknowledgments.

The Kinsmen Club of St. Marys operates under the guiding principle of "Serving The Community's Greatest Need," a commitment deeply ingrained in our local heritage. Over the years, we've contributed significantly to the fabric of our community, supporting initiatives such as funding for minor sports, donations to the St. Marys Memorial Hospital Foundation, assistance with the Mobility Bus program, refurbishing of the tennis courts, renovating and adding to the All Roads Skate Park, bolstering the Salvation Army Food Bank, enhancing the Grand Trunk Trail, backing the Canadian Baseball Hall of Fame, sustaining the Youth Centre, and fostering the Station Art Gallery, among many others. **This year alone, our contributions have surpassed \$30,000.**

Join us in making a profound impact. By becoming a sponsor, you're not only supporting our flagship event but also investing in the betterment of our community. Rest assured, every dollar raised stays within St. Marys and its surrounding areas.

Act swiftly to secure your sponsorship spot. The deadline for participation is June 1st to accommodate the production of banners and acknowledgments. Don't miss this opportunity to be part of something truly monumental.

Regards,

Christopher Swarthout  
Summerfest Co-Chairman  
Kinsmen Club of St. Marys
